

Brantford Potters' Guild

ClayWorks Studio

Dear Pottery Student,

Welcome to **ClayWorks Studio!** [Link to Map](#)

Your Pottery Class starts this coming week and we want to be sure you arrive at the studio prepared to have a great time. Below are a few points to keep in mind.

- please wear comfortable clothing and shoes that are ready to get messy. Most clay will wash out of your clothing with ease, wax and glaze materials may not
- an apron certainly helps to keep the bulk of the mess contained.
- an old towel is handy when throwing to wipe and dry your hands
- individuals with long hair should have a means to tie it back
- long nails won't last long if you are working at the wheel so please be sensible

Tools-if you have pre-ordered a kit it will be available at your first class

-if you have your own tools here is the short list of what to bring:

Cutting wire, pin tool, wooden tool, your favorite ribs (rubber, wooden, metal), a trimming tool, and of course any other personally preferred tools

Clay-is not included in the cost of adult classes

-You will need to purchase clay at your first class

-\$20 per bag cash or cheque only

-Only clay purchased at the studio is to be used and fired at the studio

Thank you for joining us for a pottery class. We hope you enjoy learning about pottery, and we'll see you at the studio.
